

Jim - I thank you
for the letter
from the Family
of the Lone Pine
Cemetery.

I am so happy
to hear of the
work being done
on it.

I think almost
every Memorial
ever I was set
up and I went
to the grave of
my Grandmother
Laura Olson
about 20 yrs ago
we built a fence
around that plot
& Grace Olson was
granddad Alfred Olsons
second wife
also a son Gay Olson

I think Laura
Olson died Dec 1
1904.
Her parents my
great grand parents
W. W. Warner
& their graves have
a cement border
around it. I don't
know their first
names - But the
trees & brush had
grown so much you
could hardly find
it.

My granddad is
buried in Telson,
Alfred Olson.

I am 89 yrs of
age so you know
now I am not able
to go over there.

Wish I could give
you more information
to thank you
so very much

Sincerely
Evelyn (Denny)
