

FRIENDS OF LONE PINE CEMETERY AGENDA for OCTOBER 9 Meeting

1. Update on entry road progress
 Gravel 12 yds. \$220.00 delivered
 12 yds. \$117.00 u-haul
 Charlie Johnson. No bid as yet
 Larry Hunt Bid in process

No, this is not the Lone Pine after the goats; it's from our recent trip to Virginia City NV. Very hot & dry!!!

2. Need bid for delivery of gravel and spreading around monuments and paths. Check with Donavon Chase
3. Old wire fence removal. I am trying to contact a boy scout troop for a possible Eagle Scout badge project to remove the old wire. Three present corner posts are solid and in good shape. We need estimated cost for more iron stakes and smooth wire --3 strands high.
4. Update on Cemetery sign. Howard Morgan--project
5. Update on New plot plan--Rod Smith project
6. Fall burning of piled brush. Check with Amy for availability of Ken Himes again.
7. Discuss need for purchase of an industrial brush cutter for annual maintenance etc.
8. Status of Bank account signatures
9. Status report from our application to the Washington state Department of Archaeology & Historic Preservation.

Fred Smith has made reservations for twelve people, for our meeting in Tekoa, at the **"C&D Bar & Grill"** - 10:00 AM Friday October 9th. (across the parking area from the grocery store) See you there!

Here's a couple old goats putting their heads together at the Lone Pine Cemetery.

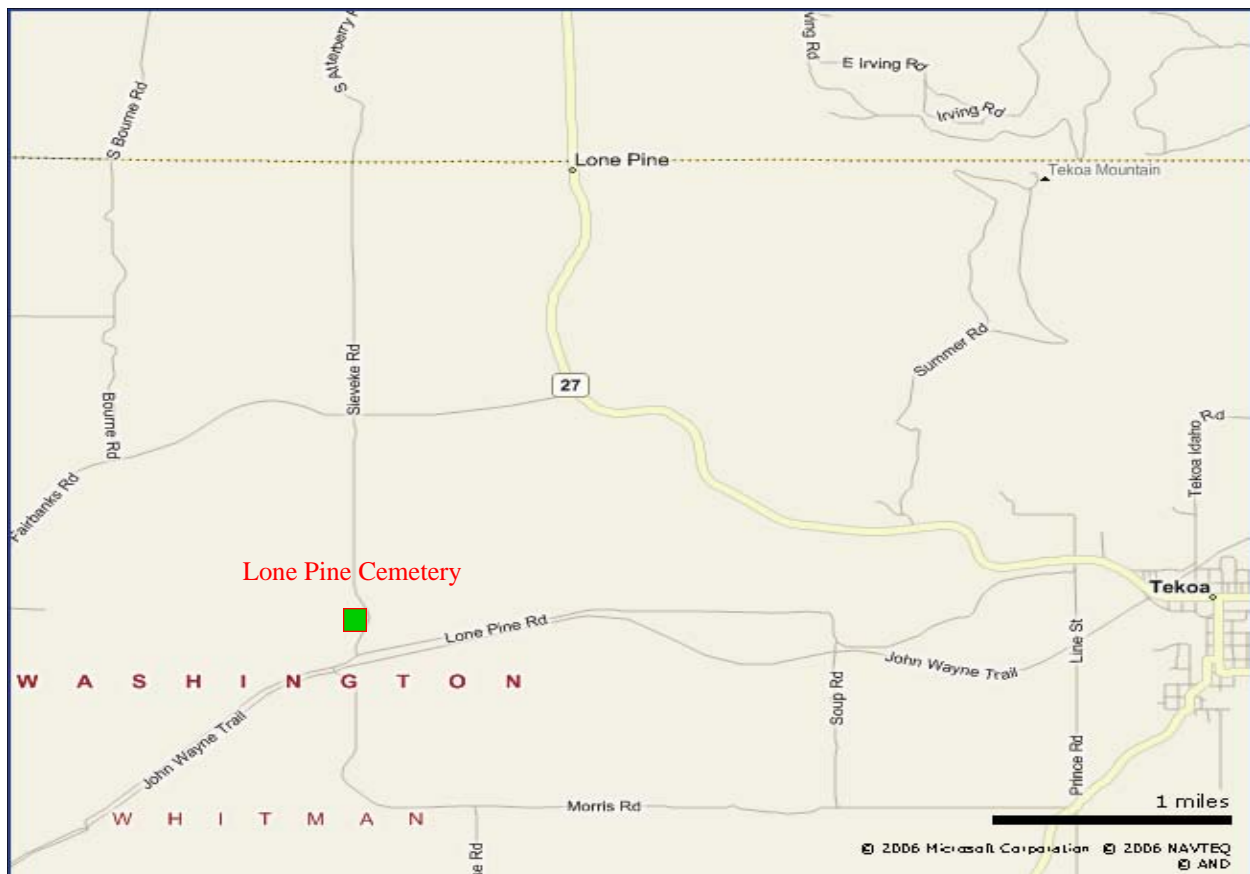

Here is a well kept pioneer Cemetery in Morrow Idaho. (Somewhere between Craigmont & Winchester)

Our esteemed association President, Fred Smith, has made quite a good find in a story about the Evergreen Cemetery Restoration project located near Colville Washington: The Northwest Washington Genealogy Society (NEWGS) was recently awarded a "Certificate of Authority" by the Department of Archaeology & Historic Preservation to continue the care and Maintenance of Evergreen Cemetery. It seems it was discovered the cemetery was not owned by anyone-not the county, not the city, not a private entity-thus no one was taking responsibility for it's care. Sound familiar?

In short; the certification enables them to apply for grants to help pay for upkeep and resetting head stones, documenting what is there and whatever else needs doing. **We are still waiting for a reply to our application.**

If you would like to make a contribution for the maintenance of this Historic, Pioneer, Cemetery.
